ECOSIA

RE: Enthusiastic and Hard-Working Web Developer

Dear Hiring Manager,

In my pursuit of new creative endeavors, I was excited to find the Frontend Developer opportunity with ECOSIA. As a progressive professional with web development experience, I believe that I can bring valuable contributions to your team.

Identifying innovative approaches and improved solutions to business challenges both motivate and drive me. Observation, inspiration, and determination are my foundation for success. My philosophy is that introducing fresh perspectives and new techniques allow businesses to evolve and grow. Similar to ECOSIA, my goal is to remain on the cutting-edge of advancements.

Formerly in my Fullstack Development role, my successes have stemmed from essential skills, including Front-end Languages and Frameworks (HTML, CSS, JavaScript, Vue, Nuxt), Backend Technologies and Frameworks (NodeJS, ExpressJS, MongoDB, Laravel, MySQL). I have enhanced my motivation abilities and cultivated a reputation as a major contributor through teamwork and problem-solving. I am a collaborative team player who is always searching for opportunities to impart valuable insights. With these qualities, I am able to facilitate positive change and impacting outcomes.

For a greater presentation of my background and qualifications, please review my attached resume. I am eager to speak with you and greatly appreciate your consideration.

Sincerely,
Emmanuel Taiwo
